

Dear

It is with great excitement that we invite you to participate in a very special event! **The Dinner {formerly known as the Crab & Rib Dinner} is scheduled for March 15, 2025, at the Charbonneau Golf Club in Wilsonville, OR.**

The Dinner is a delightful, annual event, organized by the Cypress Branch Auxiliary, a volunteer auxiliary of Boys & Girls Aid. This evening features a delicious dinner, alongside the always popular silent auction with wine raffle, an inspirational program, and a fun evening for all.

We are seeking donations for the silent auction and your support will make a difference! Last year, community minded donors like you helped us to raise over \$40,000 for the children, youth, and families served by Boys & Girls Aid's programs and services. **We invite you to partner with us in support of Boys & Girls Aid by donating an item to our auction at The Dinner.**

Today in Oregon, there are more than 5,000 children and youth living in foster care and more than 1,000 unaccompanied minors experiencing homelessness. Boys & Girls Aid is committed to connecting these children with safe, stable adults and forever families who will offer a lifetime of security, guidance, support, and love. **By donating an item to The Dinner, you are playing a vital role in supporting Boys & Girls Aid's mission to ensure every child grows up with a family of their own.**

If you are interested in donating to The Dinner, please reach out to me directly.

If you have any questions about The Dinner, or Boys & Girls Aid in general, please contact Ashley Messer, Donor Relations & Community Outreach Manager at [amesser@boysandgirlsaid.org](mailto:amesser@boysandgirlsaid.org) or 503.542.2345.

We are confident that your in-kind contribution will allow us to increase the funds raised for the children who need them most – we hope you will join us! Thank you for your generous consideration!

Sincerely,

Boys & Girls Aid Tax Identification Number: 93-0386791
